# YOU CAN DO THIS!

Everything you need to get started on your road to financial freedom and work independence is in this guide!

### **ESTIMATE YOUR INCOME AT SYMMETRY**

FORMULA	EXAMPLE	INPUT YOUR INFO
W2 * 2 = Gross Income	(\$50,000) * 2 = \$100,000	() * 2 =
(Rent)	(\$19,000)	()
(Other Expenses)	(\$5,000)	(\$5,000 estimate)
= Total	= \$76,000	=

Example: If last year's pretax income was \$50,000, it could be approximately \$76,000 at Symmetry... this excludes additional income from retail sales!
